

Shelf Life and FEFO Policy 2026 - page 2

First-expired, first-out (FEFO): pick, issue and dispatch the lot with the earliest expiry date first unless a customer specification requires otherwise.

Shelf Life and FEFO Policy 2026 - page 3

Lots within the critical window are dispatched, marked down (capped at 30%) or routed to a secondary channel; expired lots are quarantined and may not be issued.

Shelf Life and FEFO Policy 2026 - page 5

Supplier returns are allowed when at least 18 days of shelf life remain and the supplier agreement allows returns; procurement approves the return.

Shelf Life and FEFO Policy 2026 - page 6

Any action involving a customer, supplier or partner requires human approval before it is executed.
